As we've said so many times, Bravo is *not* filming *The Real Housewives of Miami*. Finally putting that rumor to rest is the announcement of the voyeuristic network's new series, *Miami Social Club* (working title), starring **Lea Black** (wife of famed attorney **Roy**), pitchwoman **Marysol Patton**, **Christy Rice** (ex-wife of former Miami Heat player **Glen Rice**), **Alexia Echeverria** (editor of *Venue* magazine), gallery owner **Adriana Sidi** and **Larsa Pippen** (wife of NBA's **Scottie**). The official word on the series is as follows: "This new docu-series follows Miami's social elite -- a glamorous circle where money, hard work, status and beauty rule." Our Bravo sources also tell us this show has absolutely nothing to do with that other show with the words "Miami" and "Social" in the title. To nobody's surprise, that one has not been renewed.

Mary J. Blige shot her latest video in a penthouse at the **EPIC Residences** in downtown Miami last week. Also at the Epic, in the hotel: **Svetlana Kuznetsova**, No. 4 ranked women's tennis player in the world, in town competing in the Sony Ericsson Open, and MSNBC *Morning Joe* cohost **Mika Brzezinski**, in town promoting her new book, *All Things at Once*, with a reading at **Books & Books** in Coral Gables on Saturday.

Staying away from his newborn baby **Mason** and baby mama **Kourtney Kardashian**, **Scott Disick** checked into **Canyon Ranch Hotel & Spa Miami Beach** late last week. Says a source, "Scott is supposedly giving Kourtney her space." If you ask Kardashian stepdad **Bruce Jenner**, it's no love lost. Said Jenner to *OK!* magazine: "I still can't figure it out. Again, they are adults. Kourtney is 30 years old now and they have a baby, Mason. Great kid -- Scott could leave. Honestly, I wonder about that because I look at him and some of the things that he has done have been so stupid." Also staying at Canyon Ranch: DJ **Alexandra Richards** (**Keith's** daughter), in town spinning at **Coco DeVille**, and sportscaster **Bob Costas**, there for some R&R.

Dining at **Mr Chow** Thursday night: former *American Idol* contestant **Kimberly Locke** with judge **Randy Jackson** and, at a separate table, tennis star **Andy Roddick**.
